

KELLY POOL—Whose Turn to Buy? By BRIGGS

"Tux" is the genial smoke! There's vim and punch and get-there energy in every fragrant puff. Get the bustling, hustling spirit of "Tux" into your system and it'll give you an outlook on life fresh as a morning glory at 5 a. m.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

ROBERT T. HOUGH
Former Solicitor U. S. Internal
Revenue Service.

"When a man finds the right tobacco, a pipe becomes his trusted counselor and friend. I have found the right tobacco in Tuxedo. Its mellowness, fragrance and mildness afford perfect enjoyment."

Robert T. Hough

A whole lot of men at one time or another have tried to smoke a pipe—and used the wrong tobacco. Result—a hot tongue and "cold feet." Try again with the right tobacco—Tuxedo!

Tuxedo has made thousands of happy, contented pipe-smokers because it's so wonderfully mild and cannot burn, bite or blister the tongue or irritate the throat.

The rich, sun-ripened leaf for Tuxedo is aged 3 to 5 years. Then it's treated by the original "Tuxedo Process"—a doctor's discovery—which removes every particle of bite. There are many so-called processes—all are imitations of the "Tuxedo Process"—none has ever even approached the "Tuxedo Process" in making tobacco leaf mild and wholesome.

Try Tuxedo for a week and learn what it means to love your pipe.

BASEBALL MEETING WILL BE CALLED TO REORGANIZE SENATORS

All Players, Fans and Others Interested, Are Invited to Attend

The preliminary step to organize a Salem baseball team will be taken at a mass meeting of baseball players, fans and others interested in the game which is to be held at Klett's pool room tomorrow evening at 8 o'clock. At this time the organization of a baseball team will be discussed and if the players and fans will promise their support a manager and other officers will be elected to start the ball rolling.

Manager John D. Turner, who handled the team last year, has written that he is willing to turn the lease over to anyone who will pay the rent and it is likely that the team will be organized on a "split" basis, each player and official sharing in the gate receipts.

If a team is organized the Tri-City league has promised to admit Salem as soon as one of the teams has advanced very far. This would allow the Salem team to get in practice before meeting any of the league teams and when they are admitted promise to give all of them a run for their money.

Ben S. Via Fishes In Coast Streams

Mr. and Mrs. Ben S. Via and family spent the week end whipping some of the coast streams for trout and returned to Salem with 36 of the game fish, 17 of which were above the average size. They fished in the headwaters of the Yaquina river and caught Salmon trout in the Nestucca river and mountain trout in Three Rivers. They made the trip in their auto and found the roads in excellent condition with the exception of one bad place in the Grand Ronde reservation on the west side of the agency where the corduroy road was almost impassable.

Most of the trip, however, was over dry roads though a little rough in places and Mr. Via states that any fishermen who intend to make the trip need not fear for the roads if they are careful in the mud hole in the reservation.

Election a legislature should not be politics in the ordinary sense but just plain business.

owner of the Denver club, have been settled out of court. It was learned Coffey and his wife each demanded \$20,000 for an alleged attack by McGill on Mrs. Coffey. They are reported to have settled for \$1,000.

Although Coffey stated yesterday that he was the property of Denver and not in a position to accept an offer from the Pacific Coast league, it is known McGill had released him.

Coffey is an experienced player, a sure fielder and a good hitter. He expects to play shortly.

Tacoma's Opening Game. Tacoma, Wash., April 11.—The opening game of the Northwestern league season in Tacoma April 27 will be played in the famous high school stadium, it was decided today. The Oaks almost needed wheelbarrows to carry their home in, they were so chasty when they arrived home today.

They claimed the Salt Lake Bees were apocryphal with milk on it for them, and advised McRedie's Beavers to stay away from them.

Well, boys, the large leagues open tomorrow, and as soon as the St. Louis Americans decide what pitchers they don't want McRedie plans to get them to make his budding sniff more robust.

Mac figures that with a couple of easterners on his string, and with Lash, the port side, getting up steam, his pennant chances will be decidedly more robust.
